Veeva Systems

[Read Megan's transcript](#)

Are you a Mid NJ ATD chapter member? Tell us your experience with the chapter! Midnjatd@gmail.com

2 - We're recruiting a new Vice President of Technology!

Apply [here](#)

What does the VP of Tech do?

- Develop the chapter's strategy, manage, and delegate around all things L&D technology for the chapter

including:

- Chapter's website
- Annual Technology Showcase
- Technology Special Interest Group

Who would be great for this role?

- L&D technology enthusiast who has moderate to expert knowledge around the L&D technology
- Savvy with website and/or membership management software

What's in it for you?

- Work with a wonderful and supportive team of TD professionals from all walks of life
- Get to know and engage L&D technology experts in the field
- Expand the Mid NJ ATD community's knowledge and awareness of the significance of technology in talent management

A special thank you to Jeffrey Riley for many years of dedicated service!

The Mid NJ Chapter would like to take this opportunity to thank Jeffrey Riley for his commitment to the chapter. Jeffrey has been instrumental in supporting the chapter in various roles including as the Technology SIG Director and VP of Technology. Jeffrey is a treasured part of the chapter's history whose love for technology, gamification, and eLearning helped the chapter tremendously and kept us up to date on the latest trends.

Jeffrey will be moving to Birmingham, Alabama with his wife to be closer to his grandchildren, and while we are sad to see him leave the area, we are sure we will get to see him tutor his grandchildren through escape rooms developed in PowerPoint, a fun session he hosted for the chapter this year!

Jeffrey is an active member of the LinkedIn community and shares articles and resources daily. Click [here](#) to keep up with Jeffrey on LinkedIn.

3 - Upcoming Chapter Events
