### Past Event - August 2022

Members of both the Mid NJ and Northern NJ Chapters of ATD, gathered together for a shared in person networking event this August, at the casually elegant Red Oak Grill at the New Jersey National Golf Club in Basking Ridge NJ.

It was a friendly and relaxing evening, a chance to have some fun, catch up, and informally network together in a lovely setting. Good food, raffles, prizes (ID books, pens, and other useful items generously donated by members and speakers) made for a successful event, bringing both established members as well as guests curious about our chapters. We hope to see you at the next one!
